Preparing Your House for Sale

Curb Appeal

- Does your house have curb appeal?
- Can we give it a little more pizzazz to draw the buyer in?
- Would a bit of touch-up paint add dollars to the sale?
- What about the garden?
- Is the lawn in order and neatly edged?
- Are trees and bushes neatly pruned?
- Are flowers in bloom? If not, it may be time for a garden upgrade. Adding colorful annuals to the front garden will make a big difference.

Remember, creating curb appeal will add dollars to your house's final selling price.

Curb Appeal Checklist
